**Save
Europe
Act**

WHY WE MUST ACT

→ **Threat to Identity:**

Mass non-European immigration threatens the **ethnocultural identity**, security, and cohesion of European nations.

→ **Strained Infrastructure:**

Welfare incentives and open borders act as **powerful pull factors**, burdening taxpayers and straining public services.

→ **Erosion of Sovereignty:**

Current EU policies undermine national sovereignty and the right of native Europeans to **preserve their heritage and way of life**.

CORE DEMANDS OF THE SAVE EUROPE ACT

- **Immediate Moratorium on Immigration**
 - **Ironclad Borders**
- **Europe-Wide Remigration Framework**
 - **Remove Pull Factors**
- **Protect European Civilisation**

Together, we can turn the tide, **volunteer** on our website!
If you are able, please consider a **donation**:
